PROFESSIONAL SUMMARY

UI/UX Designer with a background in Broadcasting and Journalism and a growing foundation in user-centered design. Skilled in turning ideas into clean, intuitive, and visually engaging digital experiences. Curious, adaptable, and focused on creating designs that are both useful and easy to understand.

WORK EXPERIENCE

UI/UX Design Intern (Aug - Sep 2026)

QuadCubes

- Designed 2+ end-to-end UI/UX projects, applying user research, user flows, wireframing, high-fidelity UI design, and interactive prototyping in Figma.
- Created 25+ UI screens and prototypes across mobile and web projects.

Assistant Program Producer (Apr 2024 - May 2025)

UBL HD

- Wrote scripts and coordinated 6+ television programs, working with artists, anchors, and production teams to ensure smooth execution.
- Shot 4+ indoor and outdoor programs, including live call-in shows, and anchored selected programs, developing strong skills in communication, storytelling, and audience engagement.
